

Dear Interns,

We are pleased to inform you that the Kagisano Labour Activation Programme will commence on 13 November 2023 at a campsite in Cullinan, Pretoria. Interns who are stationed outside the Gauteng Province will be transported to the campsite on Sunday morning, 12 November 2023. You will receive training and international certification at no cost to you. You will be at Camp for four weeks and then transported back home when the training period ends.

Please note that only interns who have received confirmation from the Labour Centres or Netcampus officials will be allowed to travel on the bus. The following documents will be required before boarding the bus:

- Certified copy of valid South African ID book
- Signed indemnity form.

These additional documents will be required:

- Proof of banking details
- SARS Numbers
- Qualifications

What to bring for the duration of the camp:

- The weather at this time of year is hot and might be rainy, so please pack sufficient clothes, including sports clothes and/or active wear for any activities that are planned.
- You will also need to bring sufficient toiletries and medication to last for the month.
- A tuck shop will be available to sell some of the products that you might need if you run out.
- Bedding will be provided, but please bring your own personal towels.
- Meals will be provided for the duration of the camp. Study material and any tools of trade needed for the training programme will also be provided.
